

Placement cell

The placement cell of this college has conducted many training programs to help the students in developing the personality and also to train them to face interviews the by building their career. One of the main responsibilities of the placement cell is to motivate train and prepare the students for campus interviews. We have been conducting twoday workshop every year on topics like importance of attitude building, personal accountability, teamwork, timemanagement, way to success, importance of communication, listening skills, interview handling skills, resume building etc.

Following students are placed at various companies through campus recruitment drive.

MRF Ltd.

1. AkhilRaju(Mcom)
2. VivekSabu(Mcom)
3. Nafi M K (B.Sc. computer science)
4. Muhemmed Rafi (B.Com)

Two -day workshop- EMPOWER ME

A two-Day workshop for final year UG & PG students yielded positive outcomes, equipping participants with enhanced communication and interpersonal skills, boosting self-confidence, and providing valuable insights into career readiness. The workshop successfully guided students in crafting effective resumes, mastering interview techniques, and navigating the job market, contributing to their overall professional development. It was organized on 08/10/2024 and 09/10/2024. Mr. Lipin Rajeshakaran, Soft skill trainer, from Training Guru's Muvattupuzha was the resource person.
